

America is in free fall--our worst crisis since the Civil War. We must REPEL the illegal alien INVASION. **DEPORT THEM ALL!** This former prosecutor BACKS Law and Order by local sheriffs. BAN leftist lunacy. **NO amnesty. NO sanctuary. NO delay.**

Next, SAVE THE BABIES. STOP the insanity of gender abuse and CRT in public schools. Kids **DO NOT BELONG** to the State; they are gifts from God. School choice is a human right, our sacred duty.

Spendaholics must GO. You **KNOW** TABOR author DOUGLAS BRUCE will **NEVER** vote to raise taxes or debt. It is **FISCAL** child abuse and the only cause of inflation.

Seek a REAL CHOICE. Ask each candidate, “What have you **DONE?**” If they aren’t here, they don’t care what you think.

What has DOUGLAS BRUCE **DONE?** He wrote the **best** tax limit in America; that’s a FACT. **TABOR gave all couples \$1500 state rebates LAST year, \$1600 THIS year, and \$1600 NEXT year**

— **\$4,700 REAL MONEY.** Do you want a **FIGHTER** or a talker?

IT'S UP TO US—WE THE PEOPLE--TO SAVE AMERICA.

The loss of Election Integrity betrays the Founding Fathers and our Freedom. The next Congress must stop Democrat **FRAUD.**

*Like Trump, I **WILL NOT TAKE** the salary. I will **REFUSE** all campaign cash. I will **BACK** term limits and **END** my service in eight years. Such sacrifices to combat Evil are a patriotic duty.*

Let's COMPARE. Jeff Crank publicly **backed** RINO Nikki Haley, not TRUMP; DO YOU? Crank's **Billionaire Boss** wants to **BUY** votes for **OPEN BORDERS**; DO YOU? Dave Williams is BOTH chairman AND candidate. Is that FAIR? Dave LOST a nasty primary in 2022 after **suing** Doug Lamborn, the man we should THANK HERE TODAY. Dave used state party money (**SHOW MAILER**) to aid his own race and to attack Jeff Crank. Dave misused the GOP NON-PROFIT MAIL permit in his campaign, a postal law violation.

Donald Trump has not met me yet but I still back him 100%.

THE BOTTOM LINE:

BIDEN IS **BAD**. Corrupt court attacks on **Trump** are America's shame. Our state supreme court attack was reversed 9-to-0 in D.C.

All four Colorado Democrat judges **should resign**. Let's Make America Great Again. VOTE for STRONG borders, SAFE schools, and SANE policies. Do you like TABOR? I wrote it for YOU.

NEVER GIVE UP ON AMERICA! Thank you.
